Hello, I'm Fulcrum. I'm just here with a request that Basilisk stop coming to SA and flaming every one for something we've been doing since 2013, and that you guys stop coming onto the SAMB to say something that has already been said. I've been on for a year, and There's always been flip-sides and/or EvilSides. If you deem it necessary to continue flaming us, could you like elect one MBer to come over and do it peacefully? I've seen at least 5 WoFMBers on the SAMB just to say you can't do this, you can't do that. I would love it if I got to keep Pen, but I'll get rid of her for nessisity.

Fulcrum means center, where two angles connect. I'd hope to be the fulcrum between WoF and SAMB.

Sincerely,
Fulcrum

Hi, Fulcrum, I'm Gryffin. Thank you for trying to stay peaceful. I appreciate it.

I understand how you feel. I as well want this fighting to stop. I know that you guys have had flipsides for a while, but it was really our idea to have a battle between dark and light WITH our flipsides.

I think that people are getting upset because they think that you stole their idea, which is completely understandable. You could still have flipsides, but maybe eliminate the dark vs. light aspect of it. That way, everyone gets mostly what they want. Both sides have to bend a little, but it would work.

Thank you.

I'm 80% sure we told you that you could keep your dark sides. We just asked you to *not* take GvE.

Am I right? I think I'm right. But I don't actually know because I get on to be trash and find all o' this here.

Fulcrum, please don't swear on this site.
I do agree, though. I don't see the big deal and why people are getting so angry.

I'll try to talk to Basilisk. In the meantime, could you try to stop the dark vs. light on your forums? It could put an end to all of this. You work on your end, I'll work on mine?

@Gryffin Basilisk was not flaming anyone, she was asking and being blunt the way she always is. And anyway, both SAMB and WoF have come to an agreement already.

Does that make it any less rude to accuse something they didn't do? I wasn't flaming anyone. You must not even know what it is if you believe I ever flamed anyone about this.

Yeah that's not flaming. She was just stating things bluntly. Perhaps we define "flaming" differently.

Ah, I misunderstood. I went back and read the posts, and I realized that Basilisk was just being blunt. She didn't mean to hurt anyone in any way, but I think you took her words the wrong way.

Am I right?
